

## Emirates and Garuda Indonesia expand partnership

- A Monitor Desk Report

Date: 26 February, 2025

Dubai: Emirates and Garuda Indonesia today have unlocked new opportunities for frequent flyer members with the launch of a joint loyalty programme offering. Emirates Skywards and GarudaMiles members can now earn and redeem Miles while travelling across a combined network of more than 200 destinations.

The two carriers launched a codeshare agreement in 2022 and have since expanded their partnership to offer loyalty programme members more destinations, more Miles, and more rewards.

The agreement was signed on the sidelines of Aviation Festival Asia 2025 by Dr. Nejib Ben Khedher, Divisional Senior Vice President Emirates Skywards, and Rahmani, Miles and Ancillary Group Head Garuda Indonesia.

The new partnership with Garuda Indonesia means Emirates Skywards

members can now unlock a host of exclusive benefits while travelling with Garuda Indonesia across an of exotic 37 destinations in the archipelago, and to more than 15 destinations worldwide. The partnership will also enable GarudaMiles members earn and spend Miles across Emirates' global network.

Emirates currently operates double daily flights to Jakarta and Bali with its iconic Emirates A380 and Boeing 777 aircraft - connecting Indonesian customers to more than 140 destinations across six continents.

Emirates Skywards has more than 34 million members worldwide. Members can also earn Miles with a growing number of partners across hotels, car rentals, retail, lifestyle and more worldwide.

Miles can be redeemed for an extensive range of rewards, including flight tickets on partner airlines, flight upgrades, gift cards, hotel stays, hospitality at sporting and cultural events, tours, and money can't buy experiences.
