

Emirates introduces Premium Economy service on Kolkata route

- A Monitor Desk Report

Date: 08 July, 2025

Dubai: Building on the successful rollout of its Premium Economy product in Mumbai, Bengaluru, and Ahmedabad, Emirates has now announced the introduction of its Premium Economy class on flights to and from Kolkata, effective 18 July 2025.

Passengers traveling on the Dubai-Kolkata route can now book Premium Economy seats on flight EK573, which will operate four times weekly (Wednesdays, Fridays, Saturdays and Sundays).

The Premium Economy cabin is thoughtfully-designed to offer an enhanced experience, combining comfort and aesthetically-pleasing features, including wider cream leather seats, increased legroom, adjustable headrests, deeper seat recline and raised cushioned leg rests. For those seeking additional comfort and privacy during their journeys,

the understated luxury cabins offer a refined upgrade from Economy Class.

In-flight dining in Premium Economy includes a curated selection of regional dishes served on Royal Doulton fine china tableware with stainless steel cutlery. It also offers an extended list of beverages.

Each seat is equipped with a 13.3-inch HD personal screen, offering access to a wide range of entertainment options on Emirates' ice-in-flight entertainment system.

Additionally, Premium Economy passengers can enjoy the generous checked-in baggage allowance of 35kg and a further 10kg of carry-on baggage.

On Emirates' latest Boeing 777 aircraft, the Premium Economy cabin features 24 seats providing passengers with a spacious and elevated travel experience. The product is now available across a growing number of aircraft in the airline's fleet.

Emirates operates 11 flights per week from Kolkata to Dubai. EK572/573, which will feature Premium Economy operates four times weekly.
