

Emirates' network in Europe expands to 31 destinations

- A Monitor Desk Report

Date: 07 October, 2020

Dubai: Emirates has announced it will resume flights to Budapest (from 21 October), Bologna (1st November), Dusseldorf (1st November), Hamburg (1st November) and Lyon (4th November), expanding its European network to 31 destinations, and offering customers around the world convenient connections via Dubai.

The addition of these five destinations takes Emirates' global network to 99 destinations, as the airline continues to gradually meet travel demand.

Flights to/from Budapest and Lyon will operate twice a week on Wednesdays and Saturdays while flights to/from Bologna, Dusseldorf and Hamburg will operate twice a week on Fridays and Sundays.

All flights to the five cities will be operated by the Boeing 777- 300ER, providing robust cargo capacity on each flight. Tickets can be booked on emirates.com, the Emirates App, Emirates sales offices, via travel agents as well as online travel agents.

Emirates now operates 9 flights a week to and from Dhaka. Passengers can avail convenient connections from Dubai for travel to over 90 cities worldwide.

Customers can stop over or travel to Dubai as the city has re-opened for international business and leisure visitors. Emirates now operate seven flights a week from Dhaka and from Dubai offer convenient connections to over 90 cities worldwide. Emirates sales office in Dhaka offers Dubai visa service for customers.

Emirates' booking policies offer customers flexibility and confidence to plan their travel. Customers who purchase an Emirates ticket for travel on or before 31 March 2021, can enjoy generous rebooking terms and options, if they have to change their travel plans. Customers have options to change their travel dates, extend their ticket validity for 2 years, or convert their ticket into a travel voucher to use against any future flight-related purchase for themselves or their family and friends.

Emirates has committed to cover COVID-19 related medical expenses, free of cost, should they be diagnosed with COVID-19 during their travel. This cover is immediately effective for customers flying on Emirates until 31 December 2020, and is valid for 31 days from the moment they fly the first sector of their journey.
