Dubai: Emirates has unveiled its highly acclaimed Premium Economy Cabin on flights EK376/377 between Dubai and Bangkok, operated by its newly retrofitted A380 aircraft.

With the deployment of Emirates' newly retrofitted A380 to Bangkok, the airline extends its Premium Economy experience to over 70 cities globally. Located at the front of the main deck, with 56 seats the Premium Economy cabin is designed to bridge the gap between Economy and Business Class.

The cabin has a generous 40-inch seat pitch, 8-inch recline, adjustable headrests, and full leg and footrests delivering enhanced comfort. Each seat is upholstered in luxurious anti-stain cream leather with fold-out woodgrain tables for dining or working.

Passengers can enjoy enhanced in-flight entertainment with a 13.3-inch HD screen, Bluetooth pairing and other thoughtful tech touches. Dining is meticulously curated to reflect regional flavours and is served on Royal Doulton China, accompanied by an expanded beverage selection that are available throughout the flight.

Premium Economy passengers also enjoy a generous check-in baggage allowance of 35kg and a further 10kg of carry-on baggage.

The airline's retrofit programme is one of the largest known in the industry where 219 A380s and Boeing 777s are slated for full nose to tail refurbish. The airline is on track to offer nearly 2 million Premium Economy seats annually across its network by the end of 2025, doubling to 4 million by 2026.
