

Emirates plans third daily service to Barcelona

- A Monitor Desk Report

Date: 23 June, 2025

Dubai: To meet the rising market demand, Emirates has announced it will ramp up operations to Barcelona with the addition of a third daily flight starting from 26 October 2025.

The added service will offer customers greater connectivity to/from the coastal city as well as access to popular destinations across Emirates' network including Maldives, Bangkok, Bali, Hong Kong and Singapore.

Emirates currently serves Spain with 28 weekly flights utilising a fleet mix of A380 and Boeing 777 aircraft, including: 14 weekly flights to Madrid; and 14 weekly flights to Barcelona including 7 weekly flights from Dubai to Mexico City via Barcelona.
