Dubai: Emirates has re-opened its dedicated First Class Lounge at Dubai International ([DXB's](#)) Concourse B to serve the growing volume of premium customers travelling from and through Emirates' hub, as more markets around the world ease restrictions and put in place protocols that enable international travel.

Emirates will also continue to operate its Business Class Lounge in Concourse B which has been opened since July 2020 for First and Business Class travellers as well as eligible Skywards members.

With comprehensive bio-safety protocols in place, customers can enjoy a full complement of trademark services located within the Emirates First Class Lounge. The re-opened Emirates First Class Lounge also features refreshed and spacious seating in the dining, rest, and social areas.
