

Emirates restart flights to Nice and Lyon in July

- A Monitor Desk Report

Date: 09 June, 2021

Dubai: Emirates will resume flights to Nice from 2 July and Lyon from 9 July, initially offering 4 flights a week to each city. The move is in line with France easing its entry requirements for visitors, starting 9 June.

Emirates customers in the UAE are eligible for quarantine-free entry into France if they have completed the two-week period after taking both doses of the Pfizer/BioNTech or AstraZeneca vaccine. In addition, fully vaccinated customers must also hold a negative COVID-19 PCR-RT valid for 72 hours prior to departure, or a Rapid Antigen test result from no more than 48 hours old.

Emirates currently operates 14 weekly flights to/from Paris, flying its flagship A380, fitted with its latest premium economy product and refreshed products across every cabin.

As more international destinations begin easing their entry restrictions, Emirates will expand its services to provide more choice and convenience for customers who can now plan travel to more than 30 cities in 19 countries across the Emirates

network that have opened their doors for tourism and business, quarantine free.

Emirates now operates 17 weekly flights to and from Dhaka.
