

Emirates shares tips for the upcoming busy travel period

- A Monitor Desk Report

Date: 07 July, 2022

Dubai: Emirates encourages all travellers to explore the wide range of online and remote check-in options available, ahead of the peak travel period of Eid and Dubai school holidays from July 8 onwards.

The passengers are advised to arrive at the airport at least 3 hours prior to their flight departure, and ensure they have all the required documents for their destination. The airline also advises a number of ways to further enhance the travel experience and avoid delays like: use of Emirates App, check of COVID-19 travel requirements in advance, signing up for WhatsApp COVID-19 Travel Support, online Check in ; use of Self Check-in kiosks ,Biometric Path and Smart gates at the Dubai airport.

Emirates App, allows users to book and change flights, download a digital boarding pass, pre-plan meals, book chauffer drive service and even pre-select and plan movies to watch via the ice inflight entertainment.

WhatsApp COVID-19 Travel Support allows travellers in Dubai get the latest travel requirements on WhatsApp for popular destinations. This is the latest information that the customer service team has and is updated daily.

Emirates now operates 21 weekly flights from Dhaka and via Dubai offers convenient connections to over 130 destinations worldwide.
