

Emirates to operate third daily flight to Hong Kong

- A Monitor Desk Report

Date: 13 September, 2023

Dubai: Emirates has announced a third daily flight to Hong Kong, starting from 1 November. The additional flight, operated by a Boeing 777-300ER, will provide non-stop services between Dubai and Hong Kong and support the growing demand for travel on the route.

With the third scheduled service, Emirates will now operate two daily direct flights to the city in addition to a third daily service via Bangkok, allowing customers to have more choice of timings to suit their travel plans. Presently both the flights are operated by double-decker Airbus A380.

The additional daily frequency between Hong Kong and Dubai will offer seats in First Class, Business Class and Economy Class.
