

Etihad Airways offering chauffeur service for economy passengers

- A Monitor Desk Report

Date: 25 July, 2021

Dhaka: Etihad Airways has introduced a new private chauffeur service for guests travelling to and from Dubai when flying from Abu Dhabi airport.

The service available for economy passengers to select destinations will see travellers collected from Abu Dhabi International Airport and taken directly to their preferred destination in Dubai.

To avail the service, passengers must have booked their tickets by August 11 for travel by September 30 2021.

Also, the airline is offering double Etihad Guest Miles on flights to those who will catch a ride on the road with the airplane company.

Conveniently for the airline's business and first class passengers, they will have free access to the Etihad Chauffeur service regardless of their travel destination.

The free private airport transfer service is available for all guests travelling between Dubai (via Abu Dhabi International Airport) and the following destinations: Amsterdam, Athens, Bangkok, Barcelona, Brussels, Casablanca, Chicago, Dublin, Frankfurt, Geneva, Istanbul,

Jakarta, Kuala Lumpur, London, Madrid, Malaga, Manchester, Manila Melbourne, Milan, Moscow, Munich, Mykonos, Paris, Phuket, Rabat, Rome, New York, Santorini, Seoul, Shanghai, Singapore, Sydney, Tokyo, Toronto, Washington, and Zurich.

All drivers will wear face masks and disposable gloves while every vehicle receives a deep cleaning after every journey.
