Dhaka: Pakistani carrier Fly Jinnah will begin direct flights connecting Lahore and Dubai starting October 29, 2025.

The airline will operate non-stop services between Allama Iqbal International Airport and Dubai International Airport twice a week, on Wednesdays and Sundays.

The new route expands Fly Jinnah's regional network and provides travellers with convenient, direct access between the two major cities. The Pakistani carrier's destinations also include other international spots like Riyadh, Jeddah, Dammam, and Bahrain.

The airline boasts a modern fleet of 6 Airbus A320 aircraft, equipped with "SkyTime", a free in-flight streaming service that allows passengers to stream a wide selection of entertainment directly to their devices.

In addition to that, the airline also offers a loyalty programme “Air Rewards”, through which passengers can earn, transfer, and spend points.
