

Global Travel launches E-Commerce Web

- A Monitor Desk Report

Date: 24 October, 2022

Global Travel & Tours, a full-service travel agency with a US base that focuses on worldwide travel has launched its product event on Sunday (23 October) at hotel Sheraton.

While addressing at the programme CEO of the company Md Shamsuddin said, Global Travel & Tours is a trusted and reliable service in the country.

"We offer best & secure payment system which maintain all security compliances", he said.

He further said that our mission is to provide the best travelling services for our beloved customers.

Officials from airlines, tour operators & concerned dignitaries were present at the programme.
