

GoAir to launch flights on Kolkata-Dhaka route from Nov 12

- A Monitor Desk Report

Date: 05 November, 2020

Dhaka: Indian low-cost airline GoAir is to launch flights on Kolkata-Dhaka route from November 12.

As per the latest air bubble arrangement between India and Bangladesh, the airline will operate two weekly direct flights between Kolkata and Dhaka.

The flight G81540 will depart Kolkata at 10:50 am and arrive in Dhaka at 12:20 pm on Thursdays and Saturdays while the flight G84040 will leave Kolkata at 13:10 pm and reach Dhaka at 14:40 on the same days.

"In our continued efforts to ensure your [passengers] safety, we are taking all the necessary steps mandated by the government to provide you with a safe and comfortable flying experience," said GoAir on its website
