

## Hansa Aircraft Services awarded AMO license by CAAB

- A Monitor Desk Report

Date: 23 December, 2025

Dhaka: Hansa Aircraft Services PLC has been awarded an Aircraft Maintenance Organization (AMO) Certificate by the Civil Aviation Authority of Bangladesh (CAAB), marking a significant milestone for the country's aviation maintenance sector.

The AMO Certificate, issued on December 17, under reference number CAAB145.031, authorizes the company to provide aircraft maintenance support within its approved scope of operations.

Established in 2023, Hansa Aircraft Services PLC set up its operational office inside Hazrat Shahjalal International Airport (HSIA) in the capital, enabling prompt and efficient maintenance support to foreign airlines operating in Bangladesh. The company's corporate head office is located at 51/B Kemal Ataturk Avenue, Banani, Dhaka.

Notably, Hansa Aircraft Services PLC is the first organization of its kind in Bangladesh to obtain an independent AMO/MRO license from CAAB without any foreign partnership, underscoring a major advancement in the nation's aviation maintenance capabilities.

The license was formally handed over by the Director (Flight Safety Regulations) of CAAB to the company's Managing Director Nagmul Islam during a ceremony held at CAAB headquarters in the capital on December 22.

The achievement reflects Hansa Aircraft Services PLC's commitment to upholding international standards of safety, quality, and technical excellence in aircraft maintenance services, and is expected to contribute positively to the growth and self-reliance of Bangladesh's aviation industry.
