

## Heavy rains hit Mumbai, disrupt flights

- A Monitor Desk Report

Date: 26 May, 2025

Dhaka: Heavy rains, accompanied by thunderstorms and lightning, lashed Mumbai on Monday (May 26) morning, throwing normal life out of gear.

The thunderstorms seriously impacted the flight operations for Mumbai airport. Issuing a travel advisory, Air India on Monday asked passengers to check their flight status before heading to the airport.

"Rain and thunderstorms are impacting flight operations in Mumbai. To ensure a smooth travel experience, we encourage our passengers to check their flight status before heading to the airport," the airlines wrote in X."

besides, IMD Mumbai has predicted light to moderate rainfall in parts of the city over the next 24 hours. "Generally cloudy sky with possibility of thunderstorm accompanied with gusty winds 30-40 kmph and light to

moderate rain at isolated places in city and suburbs," the weather department forecast.
