Dhaka: This Ramadan, Holiday Inn Dhaka City Center invites guests to embrace the spirit of the holy month through an experience that blends culinary artistry, meaningful gatherings, and rewarding surprises. From expansive buffets to curated staycations and takeaway feasts, the hotel is positioning itself as a vibrant destination for families, friends, and corporate groups seeking both tradition and indulgence.

### **A culinary journey across continents**

At the heart of the celebration lies a meticulously curated menu featuring more than 120 items. The hotel's Food and Beverage team has brought together traditional Bengali comfort dishes, Mediterranean depth, and rich Arabic flavors into one cohesive dining experience.

Guests begin Iftar with a refreshing selection of beverages, including fresh juices, date milkshakes, sweet or salted lassi, Rooh Afza, and mint lemonade.

The appetizer spread offers a global tour—California Maki Rolls sit alongside a premium cheese board and Mediterranean classics such as hummus, muhammara, and baba ganoush.

The Dhakaya Kabab Station and Iftar Corner add warmth and familiarity with Mughlai Paratha, Chicken Wontons, and an array of signature grills including Peshawari Chapli Kabab, Beef Koobideh, Mutton Adana, and Chicken Shish Tawook.

Live stations elevate the evening further, where a Whole Lamb Quzi is carved before guests, accompanied by Beef Nehari and Lahori Fish Fry. The main course continues the indulgence with Mutton Kacchi Biryani, Seafood Paella, Char-grilled Beef Minute Steak, and Moroccan Lamb Tajine.

Desserts conclude the feast on a refined note with Baklava, Kunafa, Nawabi Shemai, and Rosh Malai, complemented by a dedicated healthy tea corner for a balanced finish.

### **Dining with rewards**

This Ramadan, the experience extends beyond the table. In partnership with Air Astra, the hotel introduces an exciting raffle draw. Two fortunate guests will win complimentary return air tickets from Dhaka to Cox's Bazar. Every diner enjoying the Iftar or Suhoor buffet automatically becomes eligible, adding an element of anticipation to each gathering.
