Dhaka: Hotel Sarina Dhaka welcomes the festive season with its annual Christmas cake-mixing ceremony, a tradition that brings together corporate partners, media representatives, and guests for a celebration.

This year's ceremony brought an atmosphere filled with cheer and laughter, with the aroma of premium dry fruits and holiday spices. Guests joined the General Manager and Head of Operations of Hotel Sarina Dhaka in mixing nuts, fruits, and classic Christmas ingredients — marking the beginning of Sarina's festive journey. Guests expressed their excitement and appreciation throughout the ceremony.

The mixed fruits from the ceremony will be stored and later used to prepare Sarina's signature Christmas cakes, scheduled to be revealed in December.

Hotel Sarina Dhaka continues its legacy of offering exceptional hospitality, elegant experiences, and heartfelt service, said a release.

Located in Banani, the hotel stands as a symbol of comfort, premium service, and timeless hospitality — making it one of the leading destinations in the capital for business travelers, families, dignitaries, and international guests, concluded the release.
