“BIWTA officials helped a lot for granting necessary permissions. Thanks to the Home Ministry and Immigration officials for facilitating

visas and entry of the tourists. Gratitude to Bangladesh Tourist Police for their generous support as well,” expressed the CEO of Journey Plus.

Earlier, Journey Plus brought another cruise ship MV Ganga Bilas from India with international tourists which was inaugurated by the Indian Prime Minister Narendra Modi in Varanasi, marking the longest river cruise in the world as it crossed about 3200km and 27 rivers both in India and Bangladesh.

Both the cruises were organised under India and Bangladesh shipping protocol signed by the two governments in 2022.
