

Purbachal Central Business District Project launched

- A Monitor Desk Report

Date: 11 March, 2022

Dhaka: PowerPac Holdings Ltd, Bangladesh, officially launched the Purbachal Central Business District (CBD) project at the Bangladesh Economic Forum 2022 in the UAE on March 10 through a ceremony held at The Ballroom of MovenPick Grand Hotel Al Bustan Dubai.

Salman F Rahman, MP (Advisor to the Prime Minister for Private Industries and Investment), Dr A K Abdul Momen, MP (Minister of Foreign Affairs, Bangladesh) and Tomasz Zaleski (Chairman of The Private Office of Sheikh Ahmed Bin Faisal Al Qassimi) were present on the occasion.

Sikder Group has conceptualised development of high-end integrated real estate project in the new town of Purbachal having all modern amenities and cutting-edge technologies. This project is directly aligned with the Prime Minister's dream of establishing Bangladesh as a 'globally integrated regional economic and commercial hub'.

The mega CBD project is spread over a 114 acres land parcel in Purbachal

New Town. Key attraction of this project is the iconic tri-towers - Language tower (52F), Liberation tower (71F), and Legacy tower (111F). These tri-towers would host high-end real estate space catering to the need of global corporations and up-market demand of local and non-resident Bangladeshis.

RAJUK, awarded the CBD contract to the consortium of PowerPac Holdings Limited (subsidiary of Sikder Group) and Kajima Corporation (Japanese conglomerate).

Purbachal CBD is poised to shape up as a Global Business Hub with all world-class facilities including sophisticated business centre, commercial spaces, retails and brand shops, luxurious apartments, convention centre, hospital, international school and all other necessary community facilities to modernise Dhaka's skyline on the allocated land at Purbachal.
