

Radisson Blu Chattogram Bay View marks 11 years of luxury, sustainability

- A Monitor Desk Report

Date: 02 March, 2026

Dhaka: Radisson Blu Chattogram Bay View is celebrating 11 years of operations, marking over a decade of luxury hospitality and safety standards in the port city of Chattogram.

Inaugurated in 2015, the 241-room property features a range of accommodations, including a Presidential Suite with a private pool and panoramic city views.

The five-star hotel has earned the Executive Level “Safe Hotel” recognition seven times and received the South Asian Travel Award for Best Wedding and Best Eco-friendly Hotel for 2024-2025.

It also achieved Phase 1 of Hotel Sustainability Basics, maintaining net-zero carbon emissions and zero-waste production as part of its environmental commitment.

Facilities include what it claims to be Bangladesh's largest hotel lobby with the highest atrium, two pillarless high-ceiling halls, two medium halls, and eight meeting rooms for corporate and social events.

Dining venues include Xchange, Mezzetto, and Port Bar & Deli, offering international and Italian cuisine.

As it steps into its 12th year, the hotel said it remains committed to delivering world-class experiences to local and international guests.
