Dhaka: While considering different venues for your wedding or grand reception in 2022, chances are you will love a beautiful hotel to host your special day at. For this purpose, prepare to be mesmerised when you discover the perfect wedding venues at Radisson Blu Dhaka Water Garden.

Radisson Blu Dhaka promises a “Blissful Wedding” celebration that is personalised and memorable – just the way it is imagined by the bride and groom.

The hotel offers an exquisite range of privileges, services and setups where guests are treated to a relaxing wedding planning experience.

Situated on a seven acres of beautiful vistas, Radisson Blu is a sanctuary, away from the crowd and congestion of downtown Dhaka. Idyllic landscape followed by extremely hospitable staff makes it a prized venue for weddings.

A team of wedding specialists at the hotel tend to every little detail, creating treasured memories that will last a lifetime.

What is unique about Radisson Blu Dhaka is that they do not confine their guests among a structured wedding package or a handful of wedding planners. They welcome the guests' creativity and preference.

To make your wedding experience more memorable, it is often suggested to spend your wedding night at the Radisson Blu Dhaka Water Garden. With the availability of beautiful bridal rooms, picturesque setting and great hospitality, you will be nothing less than absolutely elated.
