

## Radisson Blu Dhaka Water Garden announces promotion of two directors

- A Monitor Desk Report

Date: 03 August, 2023

**Dhaka: Radisson Blu Dhaka Water Garden, one of the leading five-star properties in the country, announces two promotions—Kazi Sazedul Hai, the new Director of Food and Beverage Department and Mohammed Iqbal Hossain, the new Director of Catering Sales.**

Kazi Sazedul Hai is now responsible for managing all aspects of food and beverage across the restaurants and banquets. He has expertise in nurturing a business environment, analysing and suggesting trends within the hospitality industry that will consistently deliver positive results whilst improving guest satisfaction and profitability, said the hotel in a release.

With over 35 years of Food and Beverage experience in the hospitality industry, Kazi Sazedul Hai also has 15 years of experience from abroad working with different hotel management chains such as Swiss Gustard Hotel under Swiss Management, Rosewood Hotel Management, and Movenpick Hotels.

On the other hand, Iqbal Hossain is passionate about introducing new ideas to uphold the MICE market of Bangladesh and also excel in revenue maximisation, revenue analysis, negotiation, cost optimisation and pricing strategy development, also mentioned the release.
