

Radisson Blu Dhaka Water Garden celebrated “World Tourism Day”

- A Monitor Desk Report

Date: 02 October, 2023

Dhaka : With the aim to promote tourism and hospitality, Radisson Blu Dhaka Water Garden celebrated “World Tourism Day 2023” in a splendid fashion. The hotel was engaged in a wide range of activities to rejoice this wonderful occasion.

The theme for this year for World Tourism Day is “Tourism & Green Investment” this year. The campaign highlights the need for more and better-targeted investments for people, for planet and for prosperity that will contribute to the Sustainable Development Goals for a better world by 2030. This is also in line with our “Think Planet Pillar”.

This year, Radisson Blu Dhaka brought some mouth-watering delicacies from 7 different scrumptious multi-cuisines around the world including Traditional Bangladeshi, European, Arabic, Thai, Indian, Chinese and Japanese at its special arrangement of dinner buffet. Food lovers got a taste of a vast selection of mouth-watering items featuring Italian Ossubuco, Beijing Duck, Chicken Biryani, Beef Tenderloin, Butter Chicken, Sushi, Lebanese Chicken, Irish Pie, assortment of French pastries and many more delicious dishes.

All this buffet dinner arrangement was priced at BDT 3990++ at the signature

restaurant Water Garden Brasserie from 1830 hours to 2300 hours. Patrons were also happy to avail the privilege of “Buy 1 Get 1 Free”, offer available for selected bank cards and on selected cards.

To make this occasion more beautiful, the associates of Radisson Blu Dhaka Water Garden along with Brig. Gen. Lutful Kabir Bhuiyan, psc (Retd.), Chief Executive Officer, Sena Hotel Developments Limited came together to participate in a rally around the adjacent areas of the hotel premises to commemorate World Tourism Day. This was done to raise awareness among internal and external people on Green Investments as well protecting and promoting the historical tourism places in Bangladesh. To lift up the significance of this celebration, this five-star property organized a session and shared the TVC developed by Bangladesh Tourism Board, showcasing the historical places and natural scenery of some of the beautiful places of Bangladesh. As part of Responsible Business, Radisson Blu Dhaka Water Garden is actively engaged with sustainability and environment friendly initiatives.

Let's all unite and achieve it for our world and make it a better place by 2030!
