Riyadh: King Khalid International Airport in Riyadh commenced the first phase of its newly revamped duty-free market, offering more new brands and variety.

President of the General Authority of Civil Aviation (GACA), Abdulaziz Al-Duailej said that its time for the duty-free market to start meeting more varieties of demand and offer international brands of various products, perfumes, electronics, leather, and other products.

“The leasing or rentable areas at the duty-free zone have been increased to about 4,700 square meters from more than 2,000 square meters earlier,” he said.

Al-Duailej announced that the duty-free zone rental space had been raised to around 4,700 sqm from 2,000 sqm at terminal 3 at King Khalid International Airport in Riyadh.

This is a step in improving passengers' travel experiences with convenient shopping without having to leave the airport.
