

Singapore Airlines resumes flights to Dhaka from Oct 28

- A Monitor Desk Report

Date: 25 October, 2021

Dhaka: Singapore Airlines announced to resume from Dhaka to Singapore and beyond effective October 28.

The airline will operate five times weekly services on the route with Airbus A350-900.

Flight SQ 0447 will leave Dhaka at 22:40 hrs and reach Singapore at 04:50 hrs every Monday, Friday and Sunday while the return flight will depart Singapore at 19:00 hrs and land in Dhaka at 21:05 hrs on the same days.

Flight SQ 0449 will fly from Dhaka at 13:20 hrs and reach Singapore at 19:25 hrs every Tuesday and Thursday while the return flight will depart Singapore at 10:00 hrs and land in Dhaka at 12:15 hrs on the same days.

On arrival, all travellers from Bangladesh are required to undergo Covid-19 PCR test on arrival into Singapore and must serve 10-days Stay Home Notice (SHN) at dedicated SHN facilities.

Also, with effect from October 27, passengers travelling from Bangladesh will be allowed to transit through Singapore. They are required to take a Covid-19 PCR test within 48 hours

before scheduled day of departure to Singapore.
