Colombo: SriLankan Airlines has introduced an easy online booking and offline payment option through www.srilankan.com, allowing jetsetters in Bangladesh to purchase air tickets and ancillary services online once again.

Passengers who purchase online can now pay for their purchases at the SriLankan Airlines office in Dhaka within a convenient timeframe. This new facility aims to make the pre-flight experience seamless for digital customers by offering a viable payment solution for online purchases.

Passengers who book through the SriLankan Airlines website enjoy exclusive access to unmatched fares and privileges not available elsewhere. Booking online provides benefits such as exclusive deals, promotions, a complimentary first date change and guaranteed best fares. The introduction of an offline payment option extends these

benefits and more to passengers in Bangladesh who prefer the convenience of booking online.

SriLankan Airlines is the only carrier with a daily direct service between Dhaka and Colombo, Sri Lanka. With the airline's homebase positioned as a leading gateway in Southern Asia, SriLankan is able to deliver convenient connections via Colombo to key cities in the Far East, the Middle East, India, Europe and the Maldives for Bangladeshi passengers.

The launch of the online booking and offline payment option was led by SriLankan Airlines' Bangladesh and ecommerce teams, aiming to address challenges faced by customers in making online payments in foreign currency through credit cards. By leveraging technology, SriLankan successfully streamlined the booking process, providing greater flexibility to passengers in Bangladesh.

This new initiative underscores the significance of Bangladesh in SriLankan's network and reflects the airline's dedication to ensuring its services are inclusive and globally accessible.

Passengers who reserve air tickets and other services online can visit the SriLankan Airlines office at Erectors House (4th Floor), 18 Kemal Ataturk Avenue, Banani C/A, Dhaka 1213, to make the payment and have their tickets issued. For more information, call +8801708-482027/28
