

Star Air's Embraer E175 takes flight on Bangalore-Hyderabad-Jamnagar route

- A Monitor Desk Report

Date: 14 May, 2023

Star Air, the aviation arm of the Sanjay Ghodawat Group, announced that it will begin operating the Embraer E175 jet on the Bangalore-Hyderabad-Jamnagar route, becoming the first Regional Connectivity Scheme (RCS) operator to offer business class on the route.

Shrenik said, “With the introduction of the E175, Star Air becomes the only operator to offer a business class product on UDAN-RCS routes, setting a new benchmark for regional air travel. One of only 3 carriers to offer it.” Ghodawat, director of Star Air. Captain Simran Singh Tiwana, CEO, Star Air, said, “We are thrilled to introduce the E175 jet aircraft on the Bengaluru-Hyderabad route, offering the highest level of comfort and convenience to our passengers.

The Embraer E175 is a regional jet known for its fuel efficiency, low noise, advanced technology and impeccable safety record. Its interiors are equipped with state-of-the-art amenities, offering 12 business class seats in a 1 – 2 seating layout with an impressive 36" seat pitch and 64 economy class seats in a spacious 2 – 2 seating layout of 31" seat pitch. The seats are ergonomically designed and will offer ample legroom and space to rest, and yet no middle seat will provide an unparalleled level of comfort.

Business Class passengers will enjoy complimentary seat selection, a generous 20kg baggage allowance, priority check-in and boarding, allowing you to ease through the airport without any hassle. Once onboard, they will be offered a premium in-flight meal service with hot meals and cold beverages served by our friendly and professional cabin crew.
