

Thai Airways increases flights to five weekly to/from Dhaka

- A Monitor Desk Report

Date: 02 March, 2022

Dhaka: Thai Airways is increasing flight frequencies on Dhaka-Bangkok-Dhaka to five weekly from March 11, announced the popular island nation's flag carrier.

The airline will operate flights on the route on Tuesdays, Thursdays, Fridays, Saturdays and Sundays.

Flight TG 322 departs Dhaka Airport at 1340 hours and arrives in Bangkok at 1710 hours local time while the return flight TG 321 leaves Bangkok at 1055 hours and reaches Dhaka at 1230 hours local time on the same days.

THAI operates flights to and from Dhaka with A350-900 aircraft.
