Dhaka: Tripadvisor has announced the winners of its 2025 Travelers' Choice Best of the Best Restaurants, recognizing the highest-rated dining destinations across the globe.

The rankings are based on reviews and ratings from travelers collected between August 2024 and July 2025.

This year, TripAdvisor has awarded restaurants in eight categories, ranging from the best fine dining to date night spots, which travelers can add to their wishlist. These winners account for less than 1 percent of the 8 million listings available on the platform.

Tripadvisor President Kristen Dalton stated that the Best of the Best Restaurants are celebrated for their extraordinary cuisine, attentive service, and remarkable locations.

"Most importantly, diners go to make special memories," Kristen said in a statement.

This list can serve as a guide for travelers seeking valuable dining experiences. All these restaurants are backed by reliable reader reviews.
