

Turkish Airlines welcomes new GM in Dhaka

- A Monitor Desk Report

Date: 04 September, 2024

Dhaka: Turkish Airlines, the national flag carrier of Türkiye, announces the appointment of İslam Güre as the new General Manager of the airline's Dhaka operations, effective September 1, 2024.

Founded in 1933 with a fleet of only five aircraft, Turkish Airlines has grown to become a global powerhouse in the aviation industry, flying to more countries than any other airline. With a fleet of over 444 aircraft, Turkish Airlines connects passengers to 345 destinations across Europe, Asia, Africa, and the Americas, said a release.

Güre has been a dedicated member of the Turkish Airlines family for the past 10 years and brings a wealth of experience to his new role. His most recent position was Regional Sales Manager in St Petersburg, Russia.

As the General Manager in Dhaka, Güre will oversee all operations,

focusing on strengthening Turkish Airlines' presence in Bangladesh and ensuring the highest standards of service for passengers travelling between Bangladesh and the airline's global network.
