

US-Bangla adds another B737 to its fleet

- A Monitor Desk Report

Date: 04 February, 2023

Dhaka: The largest private carrier of the country US-Bangla Airlines added another Boeing 737-800 aircraft to its fleet. Including this new Boeing 737-800, the fleet of US-Bangla Airlines aircraft currently has 18 aircraft, making it the biggest fleet among the private airlines of the country.

The newly added Boeing 737-800 landed at Hazrat Shahjalal International Airport in the capital on February 4 at 4:20 pm. Captain Lutfor Rahman, Chief Executive Officer of US-Bangla Airlines officially received the aircraft. Other senior officials of US-Bangla Airlines were also present on the occasion.

The aircraft came directly from Kuwait. This Boeing 737-800 aircraft has 189 seats.

With this aircraft, US-Bangla is going to increase frequencies from Dhaka to the current destinations in its existing network, said the airline in a press release.

Currently, the airline is operating flights on all domestic routes and to Kolkata, Chennai, Male, Muscat, Doha, Dubai, Sharjah, Bangkok, Kuala Lumpur, Singapore and Guangzhou.
