

US-Bangla Airlines gets ISAGO certificate

- A Monitor Desk Report

Date: 18 June, 2024

Dhaka: US-Bangla Airlines, leading private airlines in Bangladesh, has recently received the admired certificate of registration from the International Air Transport Association (IATA) for its outstanding ground handling services.

IATA Safety Audit for Ground Operations (ISAGO) has recognized US-Bangla for maintaining high standard in ground handling services. This recognition will further strengthen our position in the aviation industry.

US-Bangla Airlines Limited has been registered under the IATA Safety Audit for Ground Operations program (ISAGO), covering the following disciplines:

Organization and Management, Load Control, Passenger and Baggage Handling, Aircraft Handling and Loading, Aircraft Ground Movement and Cargo and Mail Handling.

This certificate of registration will provide confidence to our passengers and the regulators on our safety, security and quality measures of ground handling services, said Abdullah Al Mamun, Managing Director of the largest Private Airline in Bangladesh.

US-Bangla has been an IOSA (IATA Operational Safety Audit) registered airline since 2023; now it has been ISAGO registered. US-Bangla always looks forward to safety and operational excellence. This achievement is an evidence to our efficiency added Mamun.
