

Vistara adds third frequency on Delhi-Dhaka route

- A Monitor Desk Report

Date: 06 February, 2021

Dhaka: The full-service Indian airline Vistara has announced to add another frequency on the Delhi-Dhaka-Delhi route from February 9 taking the total number of weekly flights to three.

Earlier, Vistara commenced its flight operations from Delhi to Dhaka on November 5, 2020, amid the pandemic under the air bubble agreement between Bangladesh and India.

Vistara is also planning to operate regular flights to Dhaka and connect the city to other destinations in the airline's domestic and international network soon, once the Covid-19 situation gets normalized, said the carrier in a statement.

With the new frequency starting this Tuesday, February 9, Vistara will be operating three weekly flights on Delhi-Dhaka-Delhi route on Sundays, Tuesdays, and Thursdays.

The flights will depart Dhaka at 10:30 am and arrive in Delhi at 12:15 pm. All times are local.
