Vistara announces the addition of a new long-haul route to its growing international network.

The airline will be ramping up its presence at LHR (London Heathrow) with direct, 5x weekly flights between Mumbai and London starting 01 June 2023. Vistara will operate its brand-new Boeing 787-9 Dreamliner, featuring a three-class configuration, on the route.

Vinod Kannan, Chief Executive Officer, Vistara, said, “We are delighted to announce Mumbai-London as our fourth route to Europe after connecting Frankfurt, Paris and London with Delhi. The launch of this new route is also a reflection of our customers’ growing preference for Vistara, for travel between India and the UK.

This additional gateway also offers our customers more options and flexibility with their travel itineraries while choosing to fly the country’s most loved airline. We look forward to further expanding our presence in Europe, especially with more wide-body aircraft joining our fleet in the coming months.”
