Date: 08 January, 2024

**Dhaka: Wizz Air Abu Dhabi announced it operated over 15,000 flights, carrying three million passengers, with more than 1.5 million point-to-point passengers to Abu Dhabi.**

Wizz Air Abu Dhabi added four new A321 aircraft to its fleet in 2023, taking its fleet size to 12 aircraft, and increased its seat capacity by 135 per cent to 3.7 million seats.

The airline also increased its workforce by 100 per cent during 2023 and invested in the latest technologically advanced aircraft to enhance sustainable air travel.

On the development, Johan Eidhagen, Managing Director, Wizz Air Abu Dhabi, said, "We operated more than 15,000 flights, unlocked 3.7 million affordable travel opportunities and carried three million point-to-point passengers. Our phenomenal results this year reflect our

commitment to delivering travel options that are more convenient and affordable for everyone and accelerating the growth of Abu Dhabi as one of the best destinations in the world for tourism.”

The airline is developing the UAE network and currently flies to 40 destinations in 27 different countries from Abu Dhabi. Meanwhile, Wizz Air Abu Dhabi is launching its latest route to Turkistan in January 2024. The budget carrier will operate flights from Abu Dhabi to Turkistan three times a week on Tuesday, Thursday and Saturday.
