Date: 16 September, 2025

Dhaka : Let Learn Aviation Academy, one of the country's rising institutions in aviation training, continues to make its mark in the field of air travel and ticketing education. The academy recently celebrated the successful commencement of its eighth batch in its flagship Air Ticketing and Reservation GDS Course.

The course offers students hands-on training in the world's leading Global Distribution Systems (GDS) - Sabre, Amadeus, and Travelport - equipping them with the practical knowledge required for careers in the aviation and travel industry. Students are trained to create reservations, issue tickets, and manage complex travel itineraries, enabling them to enter the workforce with confidence.

In addition to technical expertise, the academy emphasizes career guidance, internships with top IATA-certified travel agencies, and

ongoing job placement support. Its motto, "Higher Knowledge at Lower Cost," reflects its commitment to providing affordable yet world-class aviation education.
