

M360 ICT receives SAPSAA award from former Sri Lankan President

- A Monitor Report

Date: 01 December, 2025

Dhaka : M360 ICT has been honored with the SAPSAA Award, presented directly by the Former President and General of Sri Lanka at SAPSAA 2025 ceremony held at Cinnamon Life - City of Dreams, Colombo.

The award recognized M360 ICT for developing one of South Asia's most transformative and high-impact technological solutions.

This year's SAPSAA Program welcomed Ambassadors and delegates from 8 countries, alongside several Sri Lankan Ministers.

SAPSA - the South Asia Pacific Summit and Awards - is among the region's leading platforms that celebrates excellence in business, technology, leadership, innovation, and service. Each year, SAPSAA is hosted in a different country and attended by global professionals, industry leaders, CEOs, and innovators shaping the future of South Asia.
