

## M360 ICT Trabill wins Commonwealth Business Excellence Award

-A Monitor Report

Date: 01 August, 2023

Dhaka : M360 ICT Trabill received Commonwealth Partnership Summit and Business Excellence Award 2023 held in Singapore on July 27.

M360 ICT Trabill received the award due to its extraordinary contribution to the Travel and Tourism Sector, said the organisation in a release.

CEO Fahim Shariar received the award on behalf of the company.

"Trabill" is a complete Travel agency management software. It was awarded as the Champion in the Tourism and Hospitality category in the BASIS National ICT Award 2022.

It has won several other honours from both home and abroad, added the release.

It may be mentioned here, the software is being used in 11 countries including Bangladesh.

Trabill is an innovation of M360 ICT Software company. The software can be used from any device anywhere in the world.

The software comes in SAAS (Software as a Service) model by M360 ICT.

Currently, M360 ICT is also working with Artificial Intelligence (AI).

The company is showing its credibility in different sectors apart from the Travel and Tourism Sector.

The company boasts international standard management and development teams.

Professor Dr Mahbubul Haque Joardar, a Certified Management Consultant, is the Chairman of the company; while Freedom Fighter Masum Md Mohsin, founder of Bangladesh's first IT company; Mohammad Jalaluddin, Head of IT; and Chowdhury Mostak Ahmed, former MD of National Bank and Padma Bank, are Vice chairmen of M360 ICT.

Also, at present, over 50 software engineers are working at the company.
