

Seminar held to showcase career opportunities in Japan

- A Monitor Report

Date: 17 August, 2025

Dhaka : With an objective to raise awareness about secure career opportunities in Japan, a seminar titled 'Japan job seminar' was held at Pan Pacific Sonargaon Dhaka on August 12.

Hightech Corporation LLC Japan organized the event in collaboration with Heartful Limited and Trust Technical Training Institute.

Mainly focusing on work opportunities in Japan, the seminar highlighted vital issues like learning about Japan's work visa options including SSW, Engineering, TITP etc.

Separate presentations were made on full training, visa application support, pathway to settle and bring family members to Japan in the future.

A prominent Bangladeshi origin Japanese entrepreneur Yoshida

Tomohiro, Managing Director, Hightech Corporation, Japan attended the event as the chief guest, while Murad Hasan Zenith, Managing Director, Heartful Limited, Bangladesh moderated the program.

Mahbub Shohel, Director Heartful Limited, and Eram Mahbub, Director Operation, Hyperlink Skills, Japan, delivered power point presentations on different topics at the seminar.
